**RE: PREL FINANCIAL CLOSE**

Dear Mr Lee

Following our continued positive work towards financial close I would like to report that the delay caused by the Summer break has impacted on the time scale for our 'close' date. As such I would like to report that we now expect financial close to take place in December 2011.

As you are aware the US fund has commenced final underwriting of the offer for the \$870 million USD to support the full funding of the EnergyPark Peterborough project.

Kind regards,

**CHRIS WILLIAMS  
MANAGING DIRECTOR**
