Description	Award of Contracts to KNM Process Systems Sdn Bhd amounting to USD6.487 million

Introduction

KNM Group Berhad (“KNM”) is pleased to announce that its wholly-owned subsidiary, KNM Process System Sdn Bhd (“KNMPS”), had on today, 13 February 2019 received the signed purchase orders dated 13 November 2018 and 4 February 2019 from Single Buoy Moorings Inc. (“SBM Offshore”), a company incorporated in Switzerland and headquartered in Amsterdam for the supply of PME-Pressure Vessels-Separators (“Goods”) for the Liza Unity-FPSO EPCI Project in the Starbroek block in Guyana, South America amounting to USD6.487 million (equivalent to approximately RM26.38 million based on the exchange rate of USD1 : RM4.066), issued by SBM Offshore (“Transactions”).

The supply and delivery duration of the Goods is for a period of 13 months commencing from the date of the purchase orders respectively.

Information About the Parties

KNMPS was incorporated as a private limited company under the laws of Malaysia on 28 June 1990. KNMPS is principally involved in the design, engineering, procurement and manufacturing of process equipment, including without limitation pressure vessels, reactors, columns and towers, drums, heat exchangers, air finned coolers, process gas waste heat boilers and specialised shell and tube heat exchangers, condensers, spheres, process tanks, mounded bullets, process skid packages and turnkey storage facilities as well as technical and project management services in relation to process equipment, plant facilities and general facilities for the oil, gas, petrochemicals, minerals processing and renewable energy industries worldwide.

SBM Offshore, a company incorporated in Switzerland and headquartered in Amsterdam is principally involved in the design, supply, installation, operation and the life extension of floating production solutions for the offshore energy industry.

Financial Effect of the Awards

The Transactions are expected to contribute positively to KNM Group's earnings for the financial year ending 31 December 2019 and 31 December 2020.

Risk Factors

The Transactions are subject to certain commercial and financial risks mainly in the power, oil, gas, petrochemical, and energy industries. These include changes in general economic conditions such as, but not limited to inflation, environmental, health and safety regulations, taxation, foreign exchanges, interest rates, labour and material supply, changes in business and operating conditions such as, but not limited to government and statutory regulations and deterioration in prevailing market conditions.

KNM is already operating in these industries and hence would continue to be exposed to risk factors that they currently face whilst operating in these industries.

Although KNM with its vast experience may undertake efforts to mitigate the various risk factors, there is no assurance that any change in the above risk factors will not have a material adverse effect on the business and operations of KNM and/or KNMPS.

Approvals

The Transactions are not subject to the approval of the shareholders of KNM or any regulatory authority in Malaysia or in any other country.

Directors' Statement

Having considered all aspects of the Transactions, the Board of Directors is of the opinion that the Transactions is in the best interest of the Company.

Directors' and Major Shareholders' Interest

None of the directors and/or major shareholders of KNM, and/or any persons connected with them, have any direct or indirect interest in the Transactions.

Documents for Inspection

Details of the Transactions are available for inspection at the registered office of KNM at 15 Jalan Dagang SB 4/1, Taman Sungai Besi Indah, 43300 Seri Kembangan, Selangor Darul Ehsan, Malaysia for three (3) months from date of this Announcement during normal business hours from Mondays to Fridays.

This announcement is dated 13 February 2019.
