In respect of the application to the High Court of Kuala Lumpur under Sections 366 and 368 of the Companies Act 2016 ("CA 2016") to sanction a new Proposed Scheme of Arrangement with its creditors ("Proposed Scheme") and for a Restraining Order ("RO") pursuant to Section 368(1) of the CA 2016, filed by the Company and KNM Process Systems Sdn Bhd (collectively referred to as the "Applicants"), on 12 March 2025, the Court granted the Company an order to summon a Court Convened Creditors Meeting Order ("CO") and hold meetings with the respective creditors of the Applicants ("Scheme Creditors") for the purpose of considering the Proposed Scheme, as the Court found that the Proposed Scheme had evolved positively, providing a real prospect for the Applicants to continue their business. However, the Court did not grant the RO.

On 27 March 2025 the Applicants filed an appeal with the Court of Appeal against the High Court's decision on the RO. On the same day, the High Court granted the Applicants an Ad-Interim Restraining Order pending appeal, which will remain in effect until the Applicants' Section 44 Courts of Judicature Act 1964 application to the Court of Appeal is disposed of.

On 4 June 2025, the Company announced that its application for an extension of time until 12 August 2025 or such other date as may be prescribed by the Court to convene and hold the CO has been approved. Accordingly, on 9 June 2025, the Company issued to the Scheme Creditors an Explanatory Statement, together with the Notice to schedule the CO to be held on 11 August 2025 pursuant to the provisions of Section 366 of the CA 2016 for the purpose of considering the Proposed Scheme with the Scheme Creditors.

On 27 February 2025, KNM Process Systems Sdn Bhd, a wholly-owned subsidiary of the Company, entered into a conditional sale, purchase and transfer agreement with NGK Insulators, Ltd for the proposed disposal of 1 share in Deutsche KNM GmbH ("DKNM") (the immediate holding company of the Borsig Group), representing 100% equity interest in DKNM for a disposal consideration of EUR270.00million (the "Borsig Disposal"). The proceeds raised from this disposal are intended to be utilised to settle the Company's indebtedness. For further details of the disposal, please refer to the Company's announcement made on 27 February 2025 regarding the Non-Related Party Transactions (Chapter 10 of Listing Requirements).

Credit Guarantee & Investment Facility, TA/Danos and majority of the lenders are still working in close cooperation with the Board of Directors and KNMG GCEO, Mr Ravi Balasingham towards achieving a mutually acceptable resolution of the settlement of the monies due to the respective lenders from the monetization of non-core assets and the Borsig Disposal.

In this respect, KNMG has been in continuous close discussion with the respective lenders on various measures to address the abovementioned events of default. The repayments will be dealt with, addressed and/or restructured under the Proposed Scheme of Arrangement as announced on 26 April 2024.

The Company will make the necessary announcement to Bursa Malaysia Securities Berhad as and when there is any material development in relation thereto.

This announcement is dated 1 July 2025.
